Dear Hoa Vong,

Proposal: Construction of new pontoons to provide leisure moorings.

Location: Limehouse Marina, Limehouse Basin, London

Waterway: Limehouse Basin

Thank you for your consultation.

The Canal & River Trust (the Trust) is the guardian of 2,000 miles of historic waterways across England and Wales. We are among the largest charities in the UK. Our vision is that “living waterways transform places and enrich lives”. We are a statutory consultee in the development management process.

The Trust has reviewed the application. This is our substantive response under the Town and Country Planning (Development Management Procedure) (England) Order 2015. Based upon the information available we have no comments to make.

In this case you may be aware that the Trust is the freeholder of the basin, which is leased to the applicant, British Waterways Marinas Limited (BMWV), which, in the interests of transparency, we wish it to be known is a wholly owned subsidiary of the Canal & River Trust.

In addition, in order for the Canal & River Trust to monitor our role as a statutory consultee, please send me a copy of the decision notice.

Should you have any queries please feel free to contact me.

Yours sincerely,

Claire McLean MRTPI
